

Gio by VERUSRx

Experience Seamless
Savings with our
Revolutionary Mobile App.

WITH GIO BY VERUSRx YOUR MEMBERS CAN:

UNLOCK COST SAVINGS

Navigate personalized prescription options, accessing real-time medication prices and alternatives

STAY WELL-INFORMED

Get notifications offering cost-saving alternatives, going beyond insurance coverage to empower smart healthcare decisions

TAKE CHARGE

Experience a user-friendly pharmacy journey, simplifying the process to understand, switch, and save on medications

Empowering savings with seamless solutions

The Gio by VerusRx App seamlessly delivers personalized savings notifications, guides members in understanding their options, and connects them with experienced advocates for personalized assistance - all within a user-friendly application crafted for simplicity.

INNOVATIVE SOLUTIONS. PROVEN RESULTS.

Prescriptions are the #1 most frequent transaction in healthcare and typically represent 30% of total costs. In response, both members and employers seek cost-saving solutions. Our extensive analysis of millions of claims has proven that substantial savings can be achieved by digitally engaging members and prescribers in selecting the most cost-effective medications and pharmacy locations based on their insurance.
